County Clare is well known for its music and craic. In towns and villages throughout County Clare you will find a variety of festivals and events that will entertain and enchant you. Some are known internationally and host a wide range of International visitors and some are celebrations of local events, either way they will give you a view of life as the locals live it. Be you interested in music, drama or just the everyday events, such as local farmers' markets or horse fairs, you will find them all in County Clare. If you wish to learn music or just listen to it there is a festival in County Clare that can fulfil your need. The attached list is produced by Shannon Development for your information and lists some of the festivals and events that take place in the County.
